## HEALTH AND SAFETY POLICY

- The Friends of Roman Aldborough (FORA) is committed to providing a safe and healthy environment for all members, volunteers, visitors, and others involved in our activities.
- We aim to prevent accidents, injuries, and ill health by identifying and managing risks, providing appropriate guidance, and promoting a culture of care and responsibility.
- All those involved with FORA's activities are expected to take reasonable care of their own safety and that of others, follow safety instructions, and report hazards or incidents promptly.
- The Trustees hold overall responsibility for ensuring compliance with health and safety legislation and maintaining this policy.
- Risk assessments will be carried out for all events and activities, and emergency procedures will be clearly communicated.
- This policy will be reviewed regularly to ensure it remains relevant and effective in safeguarding everyone engaged with the Charity's work.
